

The title of your thesis

Alp Güleç
831263876718

Department of Computer Engineering
Faculty of Engineering
Advisor: Name of the Advisor

September 2013

Keywords

Keyword that relates to your thesis.

Declaration

The work contained in this thesis has not been previously submitted for a degree or diploma at any higher education institution. To the best of my knowledge and belief, the thesis contains no material previously published or written by another person except where due reference is made.

Chapter 1

Project Statement

Project Statement goes here. Mandatory chapter.

1.1 Motivation

Motivation goes here. Optional section.

1.2 Outline

Outline goes here. Optional section.

1.3 Introduction / Background

Introduction and Background go here. Mandatory section.

1.4 Aim and objectives

Aim and objectives go here. Mandatory section.

1.5 Deliverables

Deliverables go here. Mandatory section.

1.6 Roadmap

Roadmap goes here. Explain how the thesis is structured. Optional section.

1. Item 1
2. Item 2
3. Item 3

Chapter 2

Literature review

Literature review goes here.

Chapter 3

Requirements

Project requirements goes here.

3.1 A section

Text goes here.

3.1.1 A subsection

Text goes here.

3.1.2 Another subsection

Text goes here.

3.2 Another section

Text goes here.

3.2.1 A subsection

Text goes here.

3.2.2 Another subsection

Text goes here.

Chapter 4

Analysis, Design and Implementation

This is the main chapter of your thesis.

4.1 A section

Text goes here.

4.1.1 A subsection

Text goes here.

4.1.2 Another subsection

Text goes here.

4.2 Another section

Text goes here.

4.2.1 A subsection

Text goes here.

4.2.2 Another subsection

Text goes here.

Chapter 5

Methodology and Results

Methodology and Results go into this chapter.

5.1 A section

Text goes here.

5.1.1 A subsection

Text goes here.

5.1.2 Another subsection

Text goes here.

5.2 Another section

Text goes here.

5.2.1 A subsection

Text goes here.

5.2.2 Another subsection

Text goes here.

Chapter 6

Testing

Testing is explained in this chapter.

6.1 A section

Text goes here.

6.1.1 A subsection

Text goes here.

6.1.2 Another subsection

Text goes here.

6.2 Another section

Text goes here.

6.2.1 A subsection

Text goes here.

6.2.2 Another subsection

Text goes here.

Chapter 7

Evaluation, Conclusion and Future work

The final conclusions are derived in this chapter.

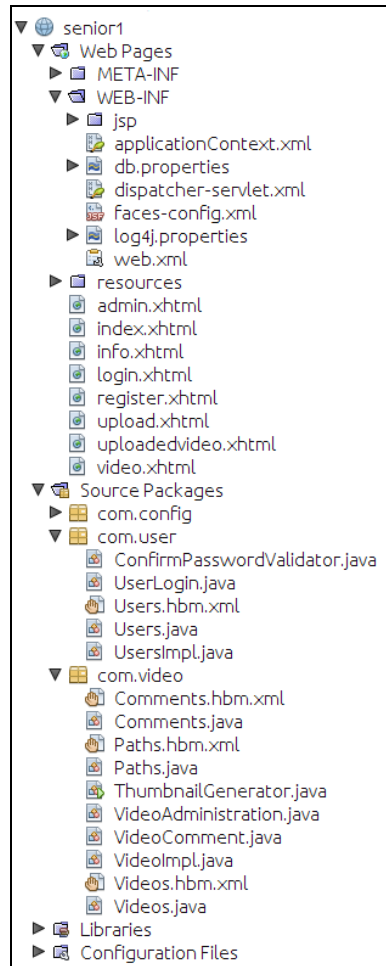

□

Appendix A

The Appendix goes here.
